

Visitor's Guide

Suurteollisuuspuisto Industrial Park in Harjavalta

**According to our safety principles,
all accidents can be prevented.**

There are many companies in the nearly 300-hectare area of the Suurteollisuuspuisto Industrial Park. Over a thousand people work in the area. In addition, there are employees of over 100 subcontractors working temporarily in the area.

Safety is very important to us. This is why our visitors also need to follow the safety instructions mentioned in this guide.

Welcome!

A pass is needed for entering the Suurteollisuuspuisto industrial park.

When you drive you need to have a driving pass. Your host will collect you from the agreed reception point where a visitor's card will be given to you.

The host is responsible for his/her visitor's safety.

Follow the instructions below:

- ! Park your vehicle only in a parking area marked with "P".
- ! Keep your visitor's card clearly visible and remember to return it at the end of the visit.
- ! You need a permission to take photographs.
- ! Intoxicants are not allowed on the site and it is forbidden to be under the influence.
- ! Follow your host and listen carefully to his/her instructions.
- ! Obey the speed limits of the plant area, 10 - 30 km/h.
- ! Use personal protective equipment according to the instructions given in the appropriate area and workplace.
- ! Smoking is allowed only in places marked with a smoking sign.

- ! Make note of the fact that hazardous chemicals are being handled in the area.
- ! There is camera surveillance in the area.
- ! The tidiness of the site is our mutual concern and also an important part of safety.

Have a pleasant visit!
